

Autumn 2020 Programme

After having had a layoff for several months because of the Covid 19 virus, we are discovering alternative ways to "meet up". So we have managed to arrange some meetings using Zoom and a couple of walks with groups of 6 maximum. The Zoom meetings are prompted by the success of the meeting on Sheffield VC's given by John Mulholland. Several of you have been willing to give talks and so the programme below has been made possible. The walks will start from either Oughtibridge or Worrall so as to limit use of cars. I'm sure the walks will be familiar, but at least they will be ways to meet socially
