Chapel Member	Lounge is a nice light room. Potential to use the space above the bulk head for additional storage if required. Need to be careful it doesn't become another junk room. Library is good now it has been de-cluttered.	Very comfortable	Fine

Chapel Member	Redecorate, new curtains, new floorcovering, better storage facilities for everything currently on show! Keep as it is. Very useful room and works well as long as it's kept tidy.

Chapel Member	I have always felt this room has never been properly thought about in terms of how we use it and therefore how we want to furnish/equip it	Heating in this room seems to work well
